

The Sapphire Song

The Sapphire Song is a meditation on the possibilities of love, when seen in the light of the spirit, with an eye to the culminating discoveries that await an individual on the spiritual journey.

The time and the place are universal. Metaxaeus, a youthful yet visionary sculptor, will embark on an odyssey in which he will at last meet face to face with Akasha, a talented storyteller from a distant township. Set in a simple landscape of mountains and rivers, *The Sapphire Song* is a meditation on the possibilities of love, when seen in the light of the spirit. Underscoring a fidelity to the sacred dimension of life, that so often reveals itself to us in the inmost presence of our dreams, and written with the poignancy of a parable, this timeless story is an evocation of the spiritual power, and the lasting truth, inherent in our quest for an enduring love.

Praise for *The Sapphire Song*:

"Pedersen's work is considerably more esoteric than your average teen-geared supernatural romance. *The Sapphire Song* is a subtle religious allegory in a gently fantastical wrapping, echoing works from Tolkien to Hermann Hesse's *Siddhartha*." - Foreword Reviews

TODD ERICK PEDERSEN is a poet-essayist and novelist whose writing strives to evoke the cross-section between our dreams and the spirit, with a natural sense of wonder and the turning seasons of the Earth. Thus, his poems, his essays, and his stories are an invitation to any reader to explore this timeless terrain for oneself. His home is in the beautiful Bitterroot Valley, in Stevensville, Montana.
